**Press Invitation Specialist Conference „20 Years Washington Principles: Roadmap for the Future“,
November 26 to 28, 2018, „Haus der Kulturen der Welt“, Berlin**

Dear Madam or Sir,

To mark the 20th anniversary of the adoption of the Washington Principles, the German Lost Art Foundation is convening an international conference of specialists, 20 Years Washington Principles: Roadmap for the Future, at the “Haus der Kulturen der Welt” in Berlin from November 26 to 28, 2018. Precisely twenty years after 44 nations and numerous NGOs agreed upon the “Washington Principles on Nazi-Confiscated Art,” renowned experts will assess progress-to-date, discuss challenges in the implementation of the Washington Principles, and identify new tasks for the future. The spectrum of just and fair solutions will be a focal point. Another will be the question of how to impart and hand on to following generations the concerns of the Washington Principles, with the goal of permanently and continuously integrating the Principles into a culture of responsibility and remembrance.

A bilingual program of panel discussions, talks, and lectures divided into four sections – *20 Years After Washington: An Evaluation; Just And Fair Solutions; Prospects And Progress; and Education and Responsibility* – will be the focus of the first two days. Praxis-oriented workshops on select topics will be offered on the third day. **Please note:** If you wish to cover any of the workshops on the third day, a separate registration is necessary due to the very limited space available. Thank you for your consideration. The working language is English. No translation will be offered.

For further details and the program of the conference, please consult the conference website www.20-years-washington-principles.org

The conference is funded by the Federal Government Commissioner for Culture and the Media. It is held in cooperation with the Prussian Cultural Heritage Foundation and the Cultural Foundation of the German Federal States.

Please rsvp by October 12, 2018.

With Kind Regards

Press Office
German Lost Art Foundation
